Principal's Message

Fear of the Lord

"The fear of the Lord is the beginning of knowledge; fools despise wisdom and instruction" (Proverbs 1:7). "The end of the matter; all has been heard. Fear God and keep His commandments, for this is the whole duty of man" (Ecclesiastes 12:13). "The fear of the Lord is the beginning of wisdom; all those who practice it have a good understanding. His praise endures forever" (Psalm 111:10). "And now, Israel, what does the Lord your God require of you, but to fear the Lord your God, to walk in all His ways, to love Him, to serve the Lord your God with all your heart and with all your soul" (Deuteronomy 10:12). "The fear of the Lord leads to life, and whoever has it rests satisfied; he will not be visited by harm" (Proverbs 19:23). "In the fear of the Lord one has strong confidence, and his children will have a refuge. The fear of the Lord is a fountain of life, that one may turn away from the snares of death" (Proverbs 14:26-27). "Praise the Lord! Blessed is the man who fears the Lord, who greatly delights in His commandments" (Psalm 112:1). "The fear of the Lord is clean, enduring forever; the rules of the Lord are true, and righteous altogether" (Psalm 19:9). "You who fear the Lord, praise Him! All you offspring of Jacob, glorify Him, and stand in awe of Him, all you offspring of Israel" (Psalm 22:23).

Our theme verse for this year is from II Timothy 1:7 which says, "For God gave us a spirit not of fear, but of power, love, and self-control". This is such an appropriate verse when we live in a lost and dying world; however, how do we not live in fear? This is not easy for any of us but teaching this to the students can definitely be difficult when they see everything going on in this world around them. In fact, in our earthly bodies, we will always have sin and fear of some sort; however, instead of living in fear of earthly things, we should live in the fear of the Lord. Living in the fear of the Lord, helps us to keep our focus on God instead of earthly things. Also, when we live in the fear of the Lord, our whole mindset changes. We shift from living in fear and living defensively to living boldly and confidently because of Christ. I was asked the other day, "What does the fear of the Lord mean?" Well, I believe an easy answer to that is living in awe, respect, and reverence of God. However, looking at it closer, the fear of the Lord also includes items such as God's holiness, justice, love, and provision, which can all be included in living in the fear of the Lord. If you would like to read more about this topic, this website is a great source for the fear of the Lord: <https://answersingenesis.org/christianity/christian-life/fear-good-or-bad/>.

This year we are so excited to be back in school and learning from our teachers. I included many verses at the beginning of the article on the Fear of the Lord, but that is just a few compared to all the verses in the entire Bible on the fear of the Lord. I challenge you to take some time with your family and do a study on the fear of the Lord.

Thank you for your continued support,
Jeremy Copenhaver

Pre-K & Kinder

We have had a great first couple weeks of school in Pre-K and Kindergarten. We have spent a lot of time learning the routines of being in school and the classroom. We have also been having fun making new friends. This year we have five kindergarteners and four Pre-K students. There is a lot of activity in my classroom because the size is almost double of the past couple years! I am so thankful that Mrs. Angela Veenstra comes in the afternoons when we are all here. We praise the Lord for this large group of 4 and 5 year olds! ~Mrs. Klaasen

1st & 2nd

We have had a great start in 1st/2nd grade! Kindergarten graduation was held during our Back to School Night and we are excited to have three students in 1st grade this year. Our new first graders are Josiah Copenhaver, Hannah Den Oudsten, and Bella Ford. Welcome to Peoria Christian School, Bella! That makes two girls in our room this year! Hudson Fynaardt, Luke Fynaardt, and Matthew Fynaardt are the 2nd graders. They will be excellent leaders and helpers as first graders learn our class routines and expectations! We are thankful that God has blessed us with an opportunity to come to school and look forward to a year of learning. Finally, remember that God gave us each a spirit of power, love, and self-control, NOT FEAR!. ~Mrs. Van Wyk

3rd & 4th

All of the third and fourth graders and I are excited to be back in school! The third graders have already learned their first few cursive letters and the fourth graders are remembering how to write exclusively in cursive. They are all very busy collecting insects for their insect collections that we will be classifying with the 7th and 8th graders in a few weeks. Once they are finished, they will be displayed in the hallway for about a week. Be sure to look for them if you visit the school. ~Miss Taft

5th & 6th

This year in 5th and 6th grade we are focusing on the verse Matthew 17:20, "If you have faith even as small as a mustard seed, you could say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible." As we proceed throughout the year, we will focus on the "mountains" in our life. Learning to rely on God to give us the strength, courage, and guidance to overcome our challenges. We are very excited to grow in faith and move mountains this year.
~Mrs. De Zwarte

7th & 8th

We had our first day of school on August 25, 2020, and we had our first chapel in the church. Pastor George gave the message from this year's theme verse. This year's theme verse is 2 Timothy 1:7. Pastor George had challenged us to live boldly by the power of God with the Holy Spirit living in us. The first day of school was spent getting ourselves organized. Things are going quite well in the 7th and 8th grade classroom. We are choosing our favorite Bible verses and hanging them up in our classroom. We are also studying literary terms like hyperboles, which are extreme exaggerations. During Covid-19, we are checking temperatures at the beginning of the day and using hand sanitizer after every recess. We are so thankful to be able to have school in person.
~Submitted by Alyson De Bruin, 7th & 8th Grade

Spanish

We have had a great start to Spanish this year. It has been fun to get to know the students and be able to use our Spanish skills once again. We have been revisiting why it's important, and fun, to learn a new language, and all the ways God can use learning a new language for His glory. I'm very excited to keep growing our Spanish skills and building relationships with the students to make it a great year!
~Mrs. McConnell

Resource Room

Thank you for making me feel so welcome especially since I have joined the vast "Mrs. Fynaardt Club." The kids have gotten a kick out of it. As their guide, IXL (an online app based on mastery we use for literacy, language arts, and math) is assisting me in filling the gaps and stretching students where needed! It provides ample data for individual needs. Despite the challenges of the year, the students have answered 38,793 questions while mastering 949 skills! As far as a breakdown of each student, they will go home at each midterm and quarter. We cannot wait to see the individual growth God has allowed them to make!
~Mrs. Fynaardt

KINDERGARTEN GRADUATION

I want to congratulate last year's two kindergarten graduates:

Josiah Copenhaver
Hannah Den Oudsten

We had our kindergarten graduation this year during our Back to School Night in August. It was a little different but it was still a time to celebrate what God has done in their lives. Please continue to pray for these students as they grow in the grace and knowledge of our Lord and Savior Jesus Christ (II Peter 3:18).
