## **DOCTRINAL STATEMENT**

The following summarizes the beliefs of the school.

1. We believe the Bible to be the inspired, the only infallible, authoritative Word of God (John 20:31; II Timothy 3:15-17; Hebrews 4:12; I Peter 1:23-25).
2. We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit (Matthew 28:19; 3:16, 17; Luke 1:35; II Corinthians 13:14; I John 5:7).
3. We believe:
  - a. in the Deity of our Lord Jesus Christ (John 1:1,2; 10:30; 14:9)
  - b. in His Virgin birth (Matthew 1:23)
  - c. in His sinless life (Hebrews 4:15)
  - d. in His miracles (Luke 1:1-4; John 2:11)
  - e. in His atoning death through His shed blood (John 1:7; Romans 3:23-26; I Corinthians 15:3; Colossians 1:14; Hebrews 10)
  - f. in His bodily resurrection (Matthew 28:6; Romans 1:4; I Corinthians 15:4)
  - g. in His ascension to the right hand of the Father (Luke 24:50, 51; Acts 1:9-11; Ephesians 1:20; Colossians 3:1; Hebrews 4:14; 8:1)
  - h. and in His future personal return in power and glory (Acts 1:11; Titus 2:13)
4. We believe that through Jesus Christ a person becomes a Christian by the gift of faith, and his relationship with God is restored (Revelation 3:20). Through our union with Christ:
  - a. Our sins are forgiven (Isaiah 1:18; Colossians 1:14)
  - b. We are declared righteous (Romans 8:1; II Corinthians 5:21)
  - c. We become children of God (John 1:12; I John 3:1-2)
  - d. A new life with Christ begins (Ezekiel 36:26; John 10:10b; II Corinthians 5:17)
  - e. We are assured of Eternal Life (John 11:25, 26; 17:3; Romans 10:9)
5. We believe in the ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a life pleasing to God (John 16:13-15; I Corinthians 6:19-20; Galatians 5:22-23).
6. We believe in the resurrection of both the Christian and the non-Christian; the Christian to everlasting life, the non-Christian to everlasting punishment (John 5:24-29; I Corinthians 15:20-28; Revelation 20:11-15).
7. We believe in the spiritual unity of believers in the Lord Jesus Christ (Ephesians 4:4; Philippians 2:1-4).

## **MISSION**

The purpose of Peoria Christian School is to seek out and nurture each child's unique potential as an image-bearer of God, so that he/she can meaningfully serve God and others. It endeavors to develop the student's capacity for the enjoyment of the created world in all its cultural richness and diversity. It attempts to educate the total person in his/her emotional, intellectual, physical, spiritual, decisional and creative development.

## **VISION**

Personalized learning to develop a Christ-Centered worldview for the Glory of God alone.

## STATEMENT OF GOALS

The following are the educational goals of Peoria Christian School:

1. To help each child realize that he/she is an image-bearer of God with individual talents and needs.
2. To develop within each child knowledge of, and a sensitivity and responsiveness to, God's Word. Administrator will meet monthly with each teacher to monitor spiritual fruit in students, using monthly PLS meetings.
3. To encourage a love of learning that will continue throughout life.
4. To assist parents in guiding their children in growth toward a living relationship with Jesus Christ as their personal Savior and Lord.
5. To assist each child in developing a set of moral and spiritual values rooted in God's Word.
6. To develop within each child a sensitivity and heartfelt responsiveness to the feelings and needs of those around him/her in the Christian and global community.
7. To teach the child the necessary developmental learning skills that will enable education at a higher level and on into adult life. Education committee monitors this using MAP testing.
8. To develop and maintain a Christian education that meets the goals and objectives established through each accreditation process conducted with CSI (Christian Schools International).

## ATTENDANCE/ABSENCES

Regularity and promptness in attendance at school are vital for the best interests of our children. Reasons include:

1. God expects us to be good stewards of all that we have, in time and possessions. He has given our children a special opportunity each day to learn, grow and explore in a Christian environment. To waste any part of that opportunity would be poor stewardship.
2. Making up work never replaces the full learning experience that takes place in the classroom, on the playground, and throughout school activities. All activities carried out by the school are intended to educate our children, whether it is academically, socially, physically or spiritually.
3. A pattern of attendance and promptness learned in school usually carries over into a person's life following school. Achievements in adult pursuits including Kingdom service are often based on reliability in attendance and promptness.
4. As a school, we assume a major responsibility each day for the safety and well-being of the children. To help us carry out that responsibility, we ask the parents to assist in the following ways:
  - a. Call/email the school between 7:30 a.m. and 8:10 a.m. if your child will not be at school that day due to illness. Verification must be made on the whereabouts of each child.
    - i. Illness:
      1. Colds, flu, and other contagious diseases are a serious issue in a school environment because they can spread so rapidly. We ask parents to keep children home when they show symptoms of illness. Examples, but not limited to, include: fever and upset stomach. If your child shows a fever, upset stomach, vomits, or has diarrhea, you are required to wait 24 hours after the illness passes before coming to school again.
    - ii. After School programs and Events:
      1. If a student is not here by noon on the day of a school event, they will not be allowed to participate in afterschool programs and events.
  - b. If a student is absent for a reason other than illness (medical and dental appointments during school hours should be avoided as much as possible), parents should contact the

- teacher/office in advance or send a note requesting permission to be excused at a specific time. Assignments to be completed will be given to the child if enough notice is given. Assignments should be completed before the student returns to school.
- c. If a student is absent because of illness, the parents should send a written note explaining the absence when the child returns to school.
  - d. Teachers are to be notified a week in advance, if a student is to be taken out of school for a vacation of over two days. Assignments for class during that period are due when they return.
5. No student is permitted to leave the school grounds without a teacher's permission.
6. Perfect Attendance is given to students that have earned perfect attendance for:
- a. First Quarter
  - b. Second Quarter
  - c. Third Quarter
  - d. Fourth Quarter
  - e. Entire School Year
    - i. In order to receive perfect attendance for any quarter or the entire school year, a student must be here every day starting at 8:15 AM and until 3:20 PM.
    - ii. Exception is if students are on school sponsored trips or activities such as:
      1. Field Trips that the school takes
      2. Sports through the school
      3. Band trips through the school

## **ADMISSION**

It is the policy of the Peoria Christian School:

1. not to discriminate on the basis of race, national origin, age, gender, or physical disability in its educational programs, activities, or physical employment policies.
2. to provide an appropriate Christian education to all enrolled students. As needed, accommodation plans will be developed for students with handicaps or disabilities that limit one or more life functions. The best interests of the child will be considered in relation to available school resources.

Peoria Christian School, or any department or division within it, will not discriminate in any way on the basis of race or disability with respect to admissions, the use of facilities, the exercising of student privileges, or the hiring of staff. All parents enrolling their child(ren) shall complete all Enrollment Forms including the Statement of Purpose of the school and shall sign the part of the form that acknowledges their reading it.

By sending their children to the Peoria Christian School, the parents submit to the philosophy, policies, and teachings of the school as outlined in the Student Handbook and practiced by the staff. All parents are aware of the necessity of their commitment to payment of tuition, band fees, etc.

## **ADVANCEMENT POLICIES**

**Grade Advancement Policy:** Any student, with the approval of his/her teacher and the principal, in consultation with the parent(s), may skip a grade level in its entirety if their lexile level is at least one grade ahead of the next grade, the student passes an end-of-course exam in both Math and Reading, with passing scores of 90% or higher, and the student is in the 95th percentile in all subjects that are a part of Map testing.

**Subject Advancement Policy:** Any student, with the approval of his/her teacher and the principal, in consultation with the parent(s), may skip a grade level in any subject by passing the "end of course exam" in the curriculum, with a minimum score of 85%, and MAP testing results, if applicable, at the 95th percentile in that subject.

## **ASBESTOS NOTICE**

In compliance with federal regulations concerning asbestos in the school, our school has been inspected by the Midwest Environmental testing of Kansas City, Missouri. We were found to have asbestos-containing building materials (ACBMs) in our school building. A management plan for the future years of our school has been adopted, and subsequent inspections will be made every three years. A copy of this report and the management plan are available in the school office.

## **BEHAVIOR OF STUDENTS / GOOD CONDUCT RULE**

The Peoria Christian School Board believes inappropriate student conduct causes material and substantial disruption to the school environment and can present a threat to the health and safety of students, personnel, and visitors on school premises.

Students shall conduct themselves in a manner fitting to their age level and maturity and with respect and consideration for the rights of others while on school premises, while on school owned and/or operated or chartered buses, attending or engaged in school activities, and while away from school grounds, if misconduct will directly affect the good order, efficient management, and welfare of the school.

Students who fail to abide by this policy may be subject to disciplinary measures, including, but not limited to, removal from the classroom, detention, suspension, probation, and expulsion.

Removal from the classroom means a student is sent to the principal's office. It shall be within the discretion of the person in charge of the classroom to remove the student.

Detention means the student's presence is required during non-school hours for disciplinary purposes. The student can be required to appear prior to the beginning of the school day or after school has been dismissed for the day. Whether a student will serve detention and the length of the detention shall be within the discretion of the certified employee, or the Principal, whoever is disciplining the student. Parents shall be notified of any action taken or pending.

Suspension means either an in-school suspension, out-of-school suspension, or a restriction from activities. An in-school suspension means the student will attend school but will be temporarily isolated from one or more classes while under suspension. The student may not attend school activities or may not participate in a contest or extracurricular activities. An in-school suspension will not exceed three days. An out-of-school suspension means the student is removed from the school environment, which includes school classes and activities. An out-of-school suspension will not exceed three days.

A restriction from school activities means a student will attend school and classes but will not attend or participate in school activities. A restriction from activities will not exceed ten days.

Expulsion means the removal of a student from school environment, which includes, but is not limited to, classes and activities for a period of time set by the board.

Students shall conduct themselves in accordance with board policy, “Student Conduct.” Students who fail to abide by that policy may be expelled from school.

It shall be within the discretion of the Principal to recommend to the Board the expulsion of a student for disciplinary purposes. Only the Board may take action to expel a student and to readmit the student. It shall be within the discretion of the board to discipline a student depending on the nature of the offense and the circumstances surrounding the offense.

Students who participate in extracurricular activities serve as ambassadors of the school through the calendar year whether at or away from school. Students who wish to have the privilege of participating in school extra-curricular activities and other school-sponsored activities, must conduct themselves in accordance with board policy, “Student Conduct” throughout the calendar year.

Any student found guilty of violating section 123.46 of the Code of Iowa or the use or possession of any controlled substances as defined in Section 204.101, Sub-Section 6 of the Iowa Code during the school year or the session of any extra-curricular sports activity shall be automatically suspended from eligibility.

These committees are as follows: Athletic, Building, Bus, Education, Endowment, Finance, Promotion, School Improvement, and Technology. Committee members are drawn from the school society to serve terms of up to three years. Committees are published in the Pathfinder and in the Directory.

## **COMMUNICATION**

### **Communication Policy**

All communication from Peoria Christian School (PCS) to parents and the general public must be approved by the principal. The notable exceptions to this policy is regular class newsletters sent by teachers to parents.

This policy covers communication from all school entities that is meant for parents and/or the public. That includes, but is not limited to, any PCS committee, PCS employees, and any individual wishing to communicate a message on behalf of PCS.

The school board president will be copied on all communication. In cases deemed necessary by the principal, the board will be consulted prior to publication of communication.

### **Calendar**

The school calendar is included in the summer edition of the Pathfinder and listed on the website. Changes will be listed on the Pathfinder as needed.

### **Directory**

The school directory will be sent home with students during the first month of school.

### **Pathfinder**

### **School Newsletter**

During the school year, School/Class Newsletters will be sent home with students. This newsletter will be sent home as needed. It contains news and dates of importance to our students and parents.

## **CORPORAL PUNISHMENT/REASONABLE PHYSICAL FORCE**

Generally, corporal punishment may not be used to discipline students as the board believes it does not deter disruptive behavior. However, reasonable physical force may be used upon a student with or without advance notice when the use of such force is deemed essential by a reasonable person for the purposes of self-defense, the preservation of order, to quell a disturbance threatening others, to protect school property, or for the protection of others located on school property.

Reasonable physical force used should be commensurate with the circumstances of the situation and it should be moderate so as not to cause permanent physical harm to the student. The following factors should be considered in using reasonable physical force for the reasons stated in this policy: the seriousness of the offense; attitude and past behavior of the child; nature and severity of the punishment;

motivation of the teacher; age and strength of the child; and availability of less severe but equally effective means of dealing with the situation.

The student's parents shall be given an explanation of the reasonable physical force upon request.

## **DAMAGE TO SCHOOL PROPERTY**

Each student is expected to show proper care and respect for the school property, including library books, as well as for the equipment in the gym. Any student who intentionally damages school property will be required to pay for restoration or replacement of the item. If he/she is unable to pay, he or she will be able to work off the amount due by working for the custodian and/or the Principal.

## **DETENTION POLICY**

This detention policy is proposed for our school to set more specific guidelines as to the use of detentions. There are four general reasons to hold a student back for detention. **Please also note the administrator and executive board hold the right to use their own discretion for any instances that require our attention regarding this policy.**

### **Reasons for Detentions**

1. Having two or more pieces of homework or class work that are not completed. Completing homework and class work in a timely manner is a strong contributor to academic success.
2. Disrespectful behavior or non-compliant behavior anytime during the school day, including on the bus, and/or with facilitators.
3. Inappropriate behavior or physical altercation at school.
4. Any other incident that the Administrator, School Board, or Staff feels merit a detention.

### **General Guidelines**

1. All detentions will be served on Mondays' after school.
2. Only students in Grade 3-8 are capable to serve a detention.
3. Parents will be notified via phone call, text, or Email no later than Friday as to if their child will serve a detention.
4. One teacher will stay after school to monitor detentions and they will take place in a different location weekly.
5. Detentions will be served from 3:30 to 4:30 PM.
6. Parents will be responsible to provide transportation home for the student in the case of a detention.
7. If a child is sick, absent, or out of town, on the Monday they are to serve, they will serve the next Monday in the calendar year.
8. Excluding homework, any accrument of three detentions will result in the loss of a field trip. After four detentions, an in-school or out of school suspension will be given. After five detentions, the executive committee and the principal will meet to discuss further options.

### **Specific Guidelines**

#### **Homework Detentions**

1. Every Friday, students and parents will be notified regarding any missing assignments.
2. If a student has 2 or more missing assignments, they have until Monday morning at 8:15 AM to turn in all missing assignments.
3. If any assignments are still missing, students will be required to stay after school on Monday afternoon to make up these assignments. Monday after school detention begins at 3:30 and runs

until whichever occurs first, all missing assignments are made up or it is 4:30.

## DISCIPLINE

“No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it” (Hebrews 12:11). God disciplines those He loves (Hebrews 12:10). We want not only to discipline, but to teach in all situations. We feel that discipline should be quick, consistent, and understood by the student being disciplined. Finally, the goal of discipline is restoring your relationship with God and others (Galatians 5).

Peoria Christian School has created 4 rules as a school that we follow:

1. Use words that glorify God and encourage others
2. Keep hands, feet, and objects to yourself
3. Respect the property of the school and others
4. Keep yourself and others safe

We believe that when a student breaks a rule, an appropriate consequence should occur. Here are some items that would constitute some type of consequence: bullying, fighting, backtalk, threatening other people, lying, cheating, stealing, damaging school property, inappropriate language, and alcohol and drug violations.

Here is a breakdown of our behavior matrix and consequences for these types of actions:

| <b>Action</b>                            | <b>Consequence<br/>(1<sup>st</sup> offense)</b>         | <b>Consequence<br/>(Repeat offense)</b>                                    |
|--|---|--|
| Backtalk                                 | Apology & Loss of recess                                | Detention  |

\*\*\* Note: Parent will be notified for any consequence and students can serve detention starting in 3<sup>rd</sup> grade. For students in grades pre/k – 2<sup>nd</sup> grade where it says detention will be repeat of 1<sup>st</sup> offense consequences.

## **DRESS CODE**

Students are expected to dress properly and neatly following these general guidelines.

1. No tank top type clothing. Sleeveless shirts are permitted.
2. No clothing with midriff showing.
3. No see-through (mesh-type) clothing.
4. Shorts must be worn under short skirts and over biker shorts.
5. No shirts with undesirable printing, wording, or untidy shirt tails left hanging out.
6. Belts are optional as long as a neat appearance is maintained.
7. Shorts are permitted as long as all edges are finger length.

## **EXTENSION OF THE HOME**

Peoria Christian School is a religious institution providing an education in a distinct Christian environment, and it believes that its Biblical role is to work in conjunction with the home to mold students to be Christ like. On those occasions in which the atmosphere or conduct within a particular home is counter to or in opposition to the Biblical lifestyle the school teaches, the school reserves the right, with-in its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student. This includes, but is not necessarily limited to: 1) living in, condoning, or supporting a lifestyle incongruent with the orthodox, biblical definition that marriage is between a man and a woman, 2) unmarried person of the same or opposite gender, not related to each other, living in the same household as a family, or 3) otherwise demonstrating an unwillingness to support the moral principles of the school as set forth in the Bible (Leviticus 20:13a, Romans 1:18-32, Matthew 19:4-6).

The school also holds the right to discipline students for actions which occur outside of the school setting that the administrator or executive committee deem to have a negative impact on the school community.

All new families must complete the application forms found on our website. The principal may request a meeting with the family to further discuss the mission and philosophy of the school. The principal may also request that the school board members interview prospective families to determine whether or not the family's lifestyle supports Peoria Christian School.

## **EXTRA-CURRICULAR ACTIVITIES**

### **Academic Excellence Policy**

In order to ensure we are fulfilling the mission and vision at Peoria Christian School, the following policies will be followed:

1. If a student drops below a C- average on his/her report card, then the student would be ineligible until the grades are back up to a C- average again.
2. If a student starts failing a subject(s), the student would be put on a 2-week probationary period.
  - a. If the probationary period ends and the student is still failing the subject(s), then the student will be ineligible at that point until the grade is brought up to passing.
  - b. If the probationary period ends and the student is still failing but the sport season is over, then the student is ineligible in the next sport until the grade is brought up to passing.

### **Sports**

Older students in our school are given the opportunity to participate in a sports program involving area schools. At this point we participate in Volleyball (Girls), Soccer (Boys), Basketball, and Track.

### **Field Trips**

Field trips that relate to the curriculum are encouraged and may be taken with prior approval of the Principal. Trips will be planned far in advance whenever possible. A proposed itinerary and possible date for your child's trip will be sent home as early as possible. Transportation for field trips is made with the Bus Committee of the Board.

Students in fifth - eighth grade may also participate in band class. Band students have the opportunity to participate in concerts, marching band, honor bands, and a band trip.

### **Class Parties**

Class parties are planned by individual teachers in cooperation with their room mothers. All classes are generally involved in the following: Christmas Party, Valentine's Day Party, and/or Teacher's Birthday.

All parties must be approved by the Principal to avoid disruption of the instructional program of the school.

Note: We ask that parents please be sensitive to the feelings of other children when it comes to inviting classmates to a birthday party, or in giving presents for birthdays. The school classroom is a small community of people with tender feelings. Feelings get hurt when some are not included. It doesn't take much to disrupt the balance of feelings that exist in the classroom. Please use common sense.

## **GYM RENTAL**

The gym must be vacated by midnight on Saturday. The gym may be reserved one year in advance. Items rented from the gym or gym kitchen should be returned promptly. Peoria CRC and Peoria Christian School organizations may use the gym free of charge. Rental fees: Gym \$100 \***Note these fees**

If you do not wish to have your child participate in any of these tests, please notify the school. If you have questions concerning the testing by the county nurse or Heartland AEA, please contact the Principal.

Peoria Christian School is complying with new OSHA Bloodborne Pathogen standards for schools. An exposure control plan, personal protective equipment, and methods for disposal of regulated waste are in place. Universal precautions have been implemented for staff and students.

## **HOMEWORK**

Some homework can be expected by most pupils. Be sure your child is taking the marked papers home which the teacher has returned. Take time to discuss the papers with your child. It is encouraging to the student if both teacher and parents are interested in his/her work.

Study skills are taught and emphasized by our teachers that help the students learn the material to be learned. The making of note cards, taking notes, learning mnemonic devices, flashcards, and other aids to learning will be taught and explained to the students. Any questions regarding study skills should be directed to your child's teacher.

## **MATTHEW 18 PRINCIPLE**

Peoria Christian School is made up of people – parents, teachers, and students. Like any other group of sinners, we have the potential for misunderstanding, disagreement, and wrong-doing. Nevertheless, it is God’s will that we live and work together in harmony. Jesus said, “By this all men will know that you are my disciples if you love one another” (John 13:35).

Due to our fallen human nature, we at times irritate others resulting in misunderstandings and even strong disagreements. In Matthew 18:15-17, Jesus gives His formula for solving person-to-person problems. There are several clear principles that Jesus taught in solving person-to-person problems:

1. **Keep the matter confidential.** The very pattern of sharing the problem only with those directly involved establishes the principle of confidentiality.
2. **Keep the circle small.** The first step and most often the only step needed in solving a person-to-person problem is for one of the two people involved to initiate a face to face dialogue. Most problems are solved at the two person level.
3. **Be straightforward.** Jesus tells us to be forthright and to love honestly. Sometimes it is difficult to be straightforward and tell someone the very heart of the matter, but restoration and improvement can only come when the issues are lovingly yet clearly presented.
4. **Be forgiving.** Once the matter is resolved, we should wholeheartedly forgive and restore the person whose fault has offended us. Galatians 6:1 reads, "...if someone is caught in a sin, you who are spiritual should restore him gently. But watch yourself, or you also may be tempted." Most school problems can be resolved at the two-person level. Forgiveness and restoration is the normal happy conclusion, but what is the problem? Let's say you are a parent of a student in a Christian school. You are unhappy with a teacher because you believe your child is being treated unfairly in the classroom. The two of you have met and talked together and you are not satisfied with the outcome of your discussion. What is the next step in Matthew 18 principle?
5. **The parent and the teacher should agree to share the matter with the school principal.** At this stage, the counsel of Jesus would be "...take one or two others along so that every matter may be established by the testimony of two or three witnesses" (Matthew 18:16). Both parent and teacher should rehearse their version of the issue or issues with the school principal. Each person should come to the meeting in a spirit of prayer and humility, willing to submit to the Lord's will in the matter and also willing to submit to reproof and correction if needed. Those of us who bear the name of Christ should joyfully conform to the will of Christ. An open and honest discussion among people who are sensitive to godly principles will most often reach an amicable solution. Dr. Paul A. Kienel has stated that **80%** of school problems are solved at the two-person level. Another **18%** of school problems are solved at the three and four-person level which includes the school administrator. This leaves 2% to be resolved at the level of the School Board. The School Board represents the school community. Let's say a problem now exists and is not solvable by the normal channels of communication and established school policy. What is the next step in the Matthew 18 principle?
6. **If any party is not satisfied with the handling of the matter following the administrative conference, they should refer the matter in writing to the School Board President.** The president will then decide how the matter should be handled. Depending on the complexity of the problem, it may be appropriate for the School Board President to request that all persons involved be present at an Education Committee or School Board meeting. The goal of such a high-level meeting is a) a clear understanding of the problem; b) solving the problem; c) reproof and correction if necessary; and d) forgiveness and wholehearted restoration of those who have made amends.

In summary, the Matthew 18 principle requires that parents talk to teachers about students' problems before they talk to the school principal. If unresolved at the two-person level, the matter is prayerfully and in an orderly fashion moved upward in the school organizational structure. This is the Lord's way of solving person-to-person problems.

A Christian School is a ministry of Christ's body. Everything that is done in the context of the school must be done Christ's way. The world's methods of solving school problems are inappropriate.

Satan tries to destroy the normal flow of harmony and good fellowship in Christian School education. That destruction is not possible if all of us follow the Matthew 18 principle of solving school problems.

## NON-CUSTODIAL PARENTS

Divorced and separated families are realities of our contemporary life, which affects the school's responsibilities to its students. The following guidelines have been adopted to assist the school in situations where a non-custodial parent wishes to become involved in school-related activities, or wishes to have contact with, or take custody of a child while the child is at school.

1. Ordinarily, the school will not resist or interfere with a non-custodial parent's involvement in school-related activities. Access to the parent's child or the child's records will be allowed unless the school is presented with a court order, or a comparable legal document, which restricts such involvement or access. The school will not otherwise interfere or take sides.
2. A non-custodial parent may not take custody of a child or remove the child from school unless the parent presents either a written court order or a written authorization signed by the custodial parent which permits such custody.
3. If the action of any parent(s), custodial or otherwise, becomes disruptive to the operations of the school, the school has the right to restrict access by such parents and to take other reasonable and necessary action.
4. Concerning student activities which require parental consent, the school will accept consent only from the custodial parent, unless authority to grant consent is given to the non-custodial parent by a court order or comparable legal document. These guidelines will be applied to further the mission of the school and the best interest of the students.

## **PARENT-TEACHER CONFERENCES**

Scheduled conferences are held in the fall and in the spring. The results of Map Testing taken at the beginning of the school year will be discussed at the fall conferences.

If you have any questions throughout the year, feel free to contact the child's teacher. Teachers are available before and after school. They will be willing to arrange a time to meet with you to discuss your child's progress.

If parents come to a board meeting with the intent of criticizing a teacher, they will be instructed first to discuss the matter with the teacher. Then, if no agreement can be reached, the matter may be discussed with the principal. If there is still no satisfaction, the matter may be brought to the board.

The Biblical directives set forth in Matthew 18 will prevail when there is a problem.

## **PARTICIPATION**

A student must have a note from home requesting that he/she stay in the classroom because of colds, etc. The student will be required to remain quietly in the room. A note is also needed if the child is to be excused from any classes such as P.E.

## **TELEPHONE**

Calls to teachers or the principal should be made either before or after school. Our teachers will have weekly devotions on Tuesdays from 7:40-8:00 am. Please refrain from calling school at that time.

Parents may wish to call the school to leave a message for their child during recess. Recess times are 10:05-10:20 am, 12:15-12:35 pm, and 1:50-2:00 pm. Students are not called to the phone during class time unless for emergencies. If you need to reach your child, please call the school office and your child will return your call during break time. Students may use the telephone with permission only.

Cell phone policy: Students must have all cell phones turned off and out of sight during class, riding the bus, assemblies, recess, and scheduled school hours, unless permission granted by the principal. Violations of this policy (including accidental phone ringing) include:

1. Cell phone taken and returned to the student at the end of the day
2. Repeat offenses: Cell phone taken and returned only to the parent

## **TUITION AND FEES**

For an up-to-date tuition schedule, please consult the Directory. Few extra fees are collected. School Circle has graciously offered to cover most class trip fees. We do not have an extra fee for the buses.

## **VISITORS**

We welcome parent visitors to the school. Please call the school office to arrange your visit. If you need to speak in length to your child's teacher, please schedule a time with the teacher either before or after school so that instructional time is not affected. Our goal is to protect the dignity of each child. While visiting, please respect matters of confidentiality as it relates to the students.
